

New level of visual comfort

Dell UltraSharp 24 Monitor | **U2424H**

The world's # 1 monitor company*

* Dell monitors are #1 Worldwide for 9 years! Source: IDC Worldwide Quarterly PC Monitor Tracker, Q2 2023. From 2014 to 2023.

Bring your visual comfort to the next level

Enhance your visual comfort with this monitor certified by TÜV Rheinland for 4-star eye comfort.¹

Enhanced visual comfort

Protect your eyes from harmful blue light emission without sacrificing color with improved ComfortView Plus that reduces harmful blue light to less than 35%. Combined with 120Hz refresh rate and ambient light sensing, it achieves 4-star certification from TÜV Rheinland for all-day eye comfort.

Easier connections

Stay connected with extensive connectivity options, including DP1.4, HDMI 1.4 and USB-C upstream ports. Connect to even more devices with additional 3 x USB-A and 1 x USB-C downstream ports. Quick access ports located at the bottom of the panel enable quick connection and charging of your accessories and mobile devices.

Premium design

Designed with a premium finish, this monitor with a built-in cable management system reduces cable clutter. It is adjustable to fit the way you work and be comfortable all day. Built with sustainable practices for the performance you need while meeting EPEAT® Gold, ENERGY STAR® and TCO Certified Edge Displays criteria.

¹ Based off TÜV Rheinland's Eye Comfort certification, August 2023.

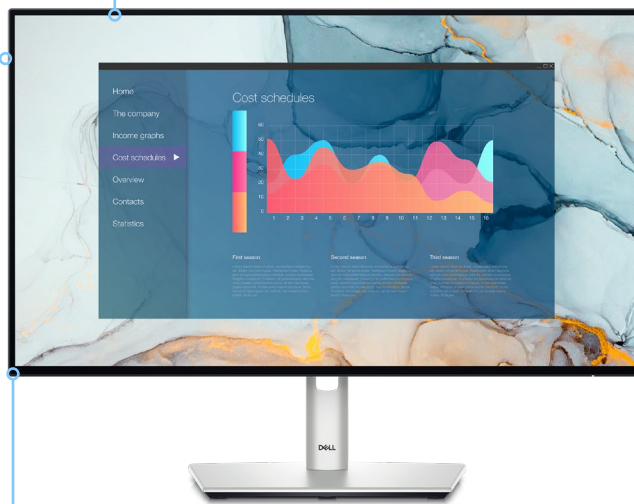

Get a clearer view

FHD (1920 x 1080) resolution on a 23.8" monitor.

Ambient Light Sensor

Built-in Ambient Light Sensor intelligently optimizes brightness and color temperature based on your surroundings.

Easily connect your accessories and devices with **USB-A and USB-C quick access ports**.

Improved ComfortView Plus

reduces harmful blue light emissions to less than 35% without sacrificing color performance.

Vibrant colors

Enjoy 1.07 billion colors and color coverage across industry standards, including 85% DCI-P3, 100% sRGB and 100% BT.709.

Extensive connectivity

Stay connected to multiple devices with USB-C downstream, USB-A downstream, DP1.4 and HDMI ports.

Adjust to your comfort

Tilt, swivel, pivot and height adjustment (150mm max).

ENERGY STAR®, TCO Certified Edge, EPEAT® Gold registered.

Sustainability on Dell Monitors

Environmental standards

This monitor is made from 85% PCR (Post-consumer Recyclable) plastic in the design¹, 90% recycled aluminum and meets the latest environmental standards such as ENERGY STAR[®], and TCO Certified Edge, and are EPEAT[®] Gold² registered.

Eco-conscious packaging

Dell monitors ship in boxes made with 100% renewable content that is also 100% recyclable.³

Energy conservation

Save energy with PowerNap⁴, a feature that dims or puts your monitor to sleep when it's not in use.

¹ By weight of the total weight of plastic parts in product. Excludes printed circuit boards, labels, cables, connectors, electronic components, optical components, ESD components, EMI components adhesives, and coatings.
² EPEAT registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.
³ Applies to all Dell monitors launched since 2023. Made from FSC mix sources which is a mix of material from FSC certified forests, recycled content and/or FSC controlled wood. Based on internal analysis, August 2023.
⁴ Enabled by Dell Display Manager.

Designed for you

Crafted with a premium platinum silver finish, this stylish Dell 24 monitor fits both home and office environments.

Designed with purpose

The small base and elegant cable management system hides cords within the monitor riser.

Easy-to-use

Navigate the onscreen menu and adjust settings with a convenient joystick control.

Work comfortably

Experience made-for-you comfort by tilting, swiveling, pivoting and adjusting the height of your monitor (150mm max).

Dell Display Manager

Modern Intuitive User Interface

New modern user interface for ease of use and personalization of features with Menu launcher.

Productive at every level

Easy Arrange allows you to easily tile multiple applications across one or more screens with 48 pre-set window partitions and the ability to personalize up to five windows, giving you improved multitasking abilities. Easy Arrange Memory save the placement of your programs and applications in the layouts and restore them when you select the preferred layout.

Stay updated

Get automatic notification anytime for new updates on monitor firmware¹ and software.

Optimize front of screen experience

Get uniform color experience from your monitor seamlessly by matching the color preset of the monitor¹ and the supported ICC profile.

Easy setup and sharing of accessories

Setup a single keyboard and mouse to be shared easily between multiple PCs with USB KVM wizard.¹ Quick access menu or hotkey allow convenient fast switching between PCs.

Easy deployment

DDM is compatible with management tools such as SCCM, InTune and Command Line Interface scripts for easy IT integration and deployment with asset management.
